Community Bank® branches

Our Lancefield and Romsey Community Bank branches have brought personalised banking back to our towns. They offer all the services of Bendigo Bank, and at the same time have put \$320,000 to date, back into community projects.

We started small,

We remain boutique.

The path to our wineries

is the road less travelled.

Our cellar doors are extensions to the shed,

wooden floors, rustic corrugated iron

And well worn timbers.

Our wineries are family owned.

We grow the finest cool-climate grapes

in the land, and make exceptional wines;

scarce and diverse in nature.

We are Macedon Ranges Wines

of Limited Edition.
